

NOW SHIPPING!

NEW SILICONE COVER HANG TAGS

We are pleased to announce that Xentris Wireless Silicone Covers are now shipping in newly created hang tag packaging.*

The silicone hang tags feature our new Xentris Wireless packaging graphics and allow consumers to feel the silicone material. They offer a reduced size for better plan-o-gram space and overall reduced packaging material.

New hang tag packaging can be identified with a -XE suffix.
Eg. Storm Red / Orange Flower (shown) 60-2036-01-XE

*Note: Some items will ship in clamshell packaging until inventory is depleted, then hang tags will be used going forward. Some products require clamshells by design, and will continue to be packaged accordingly.

Contact your Xentris Wireless representative for more information at 800.458.2820 or sales@xentriswireless.com
